

Helping Hands 2.0

Got a small repair you don't know how to fix?

Feeling a little shaky to get up on a ladder or even a chair to change a lightbulb?

Can't afford a professional for a small job around the house?

There are people from St. John who want to help! The Helping Hands program has been available at St. John to help people who may need a helping hand for small jobs. It has recently been dusted off, revised and fine-tuned. Meet the new and improved *Helping Hands 2.0!*

If you have light yard work, leaky faucet, burned out lightbulb, some small auto repairs or house work call the church office at (402) 643-2983. You will be connected to someone who would like to help you.
