

St. John Monthly Reminders

October 2017

ST. JOHN LUTHERAN CHURCH
Seward, Nebraska | www.stjohnseward.org

Trying Something New

This “Monthly Reminders” document will be inserted in the news bulletin through the month of October, and depending on your feedback, the plan is for it to always be available on the information desk in the narthex and on the shelf in the west entrance rather than inserted in the bulletin. If you are one of the contributors of the news items in this document, please take note of the fact that your item will appear here rather than in the “News Bulletin.”

When the Need Arises for Pastoral Care

Please call the church office at any time you or your loved one is in need of pastoral care. Deaconess Juanita and Pastors Bruick and Ratcliffe work to make sure that there is spiritual care available throughout the week. It is also important for you to call the church office when you or a loved one has been admitted to the hospital. Due to the privacy law (HIPPA), hospitals do not notify the church. If it is after office hours, you may use the phone numbers that are listed on the front of the news bulletin to reach Deaconess or one of the Pastors in times of emergencies.

“Helps” During Your Time in Worship (sponsored by the Parish Health Ministry)

Please ask the ushers for locations and instructions for all of these “helps”

For your comfort and convenience, St. John Church has many “helps” for those who might need them. Wheelchair spaces are available—these spaces are also useful for those using walkers. Easy to use hearing devices are available. Large print bulletins are offered, and seat cushions are obtainable for your comfort. First aid kits are located at the Information Center in the narthex and also downstairs in the fellowship hall. An AED for electronic resuscitation is located in the school hallway right outside of the narthex.

Sharing the Peace

If you are uncomfortable shaking hands during the “Sharing of the Peace” portion of the service, please feel free to abstain. You are still encouraged to verbally offer your brothers and sisters in Christ this message of unity and peace. Please respect those who choose to refrain from handshaking due to colds, flu or suppressed immunity.

Audio Tapes and DVDs (videos) of St. John Weekend Worship Available

Call the church office (402-643-2983) and the Tape/DVD Ministry volunteers will be notified of your request.
