As we “build” this church by showing the funds that have been committed and fulfilled for our capital campaign, we build hope in what God will do for future generations through the ministries of St. John. Thank you for your commitments, donations, and prayers. Glory be to God for all He provides for us, both now and in the future!

Each circle represents \$10,000. Committed totals and gifts given include \$400,000 held in the Foundation's Building Fund.
