This service project is a great way to use your skills and offers a great opportunity to get to know other members of the congregation.

Some of the projects we hope to accomplish are:

- painting
- general cleaning
- grounds clean-up
- landscaping
- storage organization/clean-up
- gutter clean-up
- minor handyman projects
- carpentry/trade skills projects

If you have specific trade skills such as finish carpentry, masonry, electrical, plumbing, etc., please contact St. John Facilities Manager Jon Severson at [402-250-8044](tel:402-250-8044) to discuss other areas of need.

- etc.

Additionally, we are looking for volunteers to

**●provide childcare to families with young ones on this day.**

If you are interested in serving, but cannot attend that day, there is also the opportunity to

**●provide a donation for the improvement supplies or**

**●baked goods for the luncheon.**
