As we “build” this church by showing the funds that have been committed and fulfilled for our capital campaign, we build hope in what God will do for future generations through the ministries of St. John. Thank you for your commitments, donations, and prayers. Glory be to God for all He provides for us, both now and in the future!

Each circle represents \$10,000. With the receipt of the Mundt Foundation Grant and the remaining capital campaign pledges, the goal of the “For the Coming Generations Capital Campaign” will be reached. All capital expenses will be covered. Remaining gifts from capital campaign pledges and additional donations received for the capital campaign will be designated for any additional campaign expenses or capital building projects at the discretion of the St. John Lutheran Church Foundation.
