

Emily Belvery – Mission of Christ Network

Emily and her husband, Jacob, recently relocated from an Asian mega-city to small town Nebraska. In their new home, Jacob teaches high school English, and Emily serves with Mission of Christ Network on the US front.

Mission of Christ Network (MCN) sends lay missionaries to intentionally proclaim the Gospel in schools, churches, and neighborhoods around the world. Emily helps to connect individuals to MCN by recruiting and communicating with new mission partners. She also communicates with Network Churches to connect American congregations with needs in the mission field. And she works to develop resources for mission partners to use both in preparing for the field and while teaching and serving abroad.

Pray for Emily and Jacob in their life together as they walk with Jesus in a new place and support ministry around the world. Pray for daily opportunities to share the Gospel and proclaim the excellencies of Him who called us out of darkness, into His marvelous light!
