

My name is Drew Boggs, and I am from Tilden, Nebraska. I am a senior at Concordia University, NE, and I am in the DCE program, studying theology and psychology. I have 7 younger brothers, 2 younger sisters, a dog, a cat, and a variety of other animals. My mom stays at home with the kids, and my dad is the pastor at the local Lutheran church. I enjoy reading, writing, playing games of all kinds, improvising, learning about animals, and sharing God's love with others. I am excited to meet you all and to see what God has in store for St. John!
