

St John is looking for members who might have specific talents or skills/trades. For example, we would like to put together a small group to help with landscaping/yard care. We would need 4 or more members willing to work on projects such as mowing or trimming bushes, watering flowers, planting plants or cleaning out the shrubs. This group would also designate times to do fall and spring cleanup. We feel this way would be more effective than trying to organize a one or two day clean up. Again, this is just an example of one group. Below is a sign-up for different groups. These groups might meet only once a year to hand out sign-ups, but most everything else could be communicated with emails/texts/calls. Please fill out the areas below that might apply to you. Turn in to the church office or place it in Nick Bloebaum's mailbox.
