

Are you receiving the weekly email

As our world has changed this past year, so has our way of providing news to the congregation. We have been sending out a mass email on Fridays providing you with vital links to help you stay in touch with what's happening.

If you have not been receiving these emails, you may need to update your contact information with the office—contact Brenda at brenda.rief@stjohnseward.org.

You may also access the Weekly News and other important options by going to the website - www.stjohnseward.org.

Improving and Evolving . . .

As we work to improve the way we send mass emails and communicate with our membership, you may see more changes down the road. Right now, we are sending emails directly from our database, but will be moving to a hosted email system to boost the likelihood of the email reaching your in-box.

We hope to keep evolving the ways in which we communicate, so in the future it will be very important that we have your correct email address. It is also very important for us to know if you do not have nor intend to have an email address. Please call the office at 402-643-2983 to let us know.
